## Profile Summary

---

Motivated and detail-oriented Full Stack Developer with hands-on experience in Java, Spring Boot, Angular/React, and MySQL. Eager to contribute to real-world applications, solve challenging problems, and help organizations achieve technical goals.

## Education

---

**St. Mother Theresa Engineering College** : Bachelor of Engineering in Electronics and Communication

Engineering **10/10/2021 – 31/05/2025**

**St. Joseph Matriculation Higher Secondary School** : HSC **01/06/2020 – 31/05/2021**

**St. Joseph Matriculation Higher Secondary School** : SSLC **01/06/2018 – 31/05/2019**

## Internship Experience

---

**Full Stack Developer** : Postulate Info Tech Pvt. Ltd. **25/07/2024 – 26/08/2024**

Built responsive web interfaces using Angular. Integrated Spring Boot APIs with MySQL for backend operations.

**Full Stack Developer** : Postulate Info Tech Pvt. Ltd. **17/03/2025 – 12/06/2025**

Designed and implemented authentication systems. Optimized backend logic using Spring Boot framework. Conducted unit testing and assisted in deployment.

## Projects

---

### Student Attendance Management System :

Developed a smart attendance system using Arduino (NodeMCU), RFID, and Firebase Realtime Database. Integrated RFID/NFC card reader with MFRC522 RFID reader to track student attendance. Implemented REST APIs for marking, viewing, and managing attendance records. Designed a responsive front end using Angular for admin and student notification via Firebase on successful attendance marking interfaces. Enabled real-time SMS

### Kicha Technology :

Developed a full-stack web application under the brand "Kicha Technology." Designed a responsive frontend using Angular/React and hosted it on Netlify ([kichatech.netlify.app](https://kichatech.netlify.app)). Built RESTful APIs using Spring Boot and connected them to a PostgreSQL database hosted on Render for backend operations. Core features include user authentication, order management, and an admin dashboard. Employed Git/GitHub for version control and team collaboration.

## Skills

---

**Java , MySQL , Frontend Frameworks:** Angular / React , **Backend Framework:** Spring Boot

## Languages

---

Tamil , English

## Personal Details

---

**Date of Birth:** 25/05/2004 , **Nationality:** Indian , **Marital Status:** Single
